# DISCLAIMER

*The following disclaimer outlines the terms and conditions for setting up and revising artwork. Please read it carefully before proceeding. By engaging in the setup or revision process, you acknowledge and accept the terms stated below:*

## **Set Up and Revision Limitation:**

*This agreement allows for one initial setup and one revision of artwork without incurring any additional costs.*

## **Scope of Revisions:**

*The revision process includes modifications, adjustments, or changes to the initial setup to align with your requirements and preferences. The purpose of the revision is to ensure that the final output meets your satisfaction to the best possible extent.*

## **Additional Revisions:**

*Any revisions beyond the initial setup and the provided revision will be considered as additional work. Additional revisions may incur extra costs, which will be communicated and agreed upon before any further modifications are made.*

## **Cost of Additional Revisions:**

*The cost of additional revisions will be determined on a case-by-case basis. Factors such as complexity, time required, and resources involved will be taken into consideration when determining the additional costs. You will be provided with an estimate or quotation for the additional revisions before any work commences.*

## **Communication and Approval:**

*Timely communication is essential for a smooth revision process. It is your responsibility to provide clear instructions and promptly respond to any queries or requests for approval during the revision process.*

## **Completion Timeframe:**

*The timeframe for completing the initial setup and revision will be communicated during the order initiation. Additional revisions may extend the overall timeframe depending on the complexity and nature of the changes required.*

## **Customization Process:**

*Our standard templates are designed to provide a consistent and high-quality foundation for your project. However, when making changes or customizations to these templates, slight variations may occur.*

**By proceeding with the setup or revision, you confirm that you have read, understood, and agreed to the terms and conditions stated in this disclaimer.**

# DISCLAIMER

*The following disclaimer outlines the potential for slight variations when making changes from our standard templates. Please carefully review this disclaimer before proceeding. By engaging in the customization process, you acknowledge and accept the terms stated below:*

## **Nature of Variations:**

*These variations may arise due to factors such as formatting adjustments, content placement, font styles, or other design elements. While we strive to maintain consistency, it is important to note that customized elements may exhibit minor differences from the original template.*

## **Reasonable Efforts:**

*We will make reasonable efforts to ensure that any variations resulting from customization are minimized. Our team will exercise due diligence to maintain the overall integrity and aesthetic appeal of the project during the customization process.*

## **Client Approval:**

*Before finalizing any changes or customizations, we will seek your approval. It is your responsibility to carefully review and provide feedback on the customized elements, and to communicate any desired adjustments or modifications. Your approval serves as acknowledgement and acceptance of the variations that may arise from the customization process.*

## **Client Responsibility:**

*We recommend that you thoroughly review all customized elements and provide clear instructions and feedback to help us understand your preferences and requirements. Prompt communication and collaboration will contribute to achieving the desired outcome while minimizing variations.*

## **Limitation of Liability:**

*We shall not be held liable for any slight variations that may occur as a result of customization from our standard templates. While we make every effort to provide a consistent product, the nature of customization inherently carries the possibility of minor differences.*

**By proceeding with the customization of our standard templates, you confirm that you have read, understood, and agreed to the terms and conditions stated in this disclaimer. You acknowledge that slight variations may occur during the customization process, and you release us from any liability associated with such variations.**

# DISCLAIMER

The following disclaimer outlines the timeframe within which customers must report any defects or discrepancies related to a product. Please carefully review this disclaimer before proceeding with your purchase. By engaging in the purchase process, you acknowledge and accept the terms stated below:

## Reporting Period:

You, as the customer, have a period of 10 business days from the date of receiving the product to report any defects or discrepancies in writing.

## Written Notification:

Any reports of defects or discrepancies must be communicated in writing, either via email or through a formal letter, within the specified 10 business day reporting period.

Verbal notifications or informal communications will not be considered as valid reports.

## Description of Defect or Discrepancy:

When reporting a defect or discrepancy, it is essential to provide a detailed description of the issue. This description should include relevant information such as the nature of the defect, specific product components affected, and any other pertinent details that would help us understand and investigate the matter thoroughly.

## Visual Evidence:

Whenever possible, visual evidence in the form of clear photographs or videos should be provided to support the reported defect or discrepancy. These visual materials will aid in the assessment and resolution process.

## Timely Reporting:

It is important to report any defects or discrepancies within the stipulated 10 business day period. Failure to report within this timeframe may limit our ability to address the issue promptly and may affect the eligibility for resolution, replacement, or refund.

## Resolution Process:

Upon receiving your written report of a defect or discrepancy within the specified timeframe, we will evaluate the issue and initiate the appropriate resolution process. This may include repair, replacement, refund, or any other suitable action as determined by our policies and the nature of the reported concern.

## Exclusions:

This reporting period does not apply to issues that arise due to mishandling, misuse, shipping damage or intentional damage caused by the customer. Such instances may not be eligible for resolution or reimbursement.
